

ENVIRONMENTAL POLICY

COMMITMENT TO THE ENVIRONMENT

Westland Cooperative Dairy Company Ltd (Westland Milk Products) is committed to:

- Ensuring that protection of the environment is firmly embedded in the culture of both the company and all employees, and will endeavour to influence its suppliers and customers in a similar strategic environmental manner,
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Promote continual improvement of environmental performance

THIS WILL BE ACHIEVED BY:

- Implementing an effective environmental management system designed to accomplish our strategic business objectives while fulfilling our responsibility as a good industrial neighbour in the West Coast and Canterbury region
- Developing objectives, targets, performance measures and action plans to reduce/mitigate significant environmental aspects/impacts and to promote continual improvement of environmental performance.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Conduct business so that environmental challenges are managed as an integral part of current and changing business strategies
- Establishing, maintaining and implementing emergency preparedness procedures to prevent or mitigate adverse impacts on the environment.
- Comply with all National, Regional and Local environmental laws, while also meeting or exceeding our own environmental commitments.
- Communicating environmental practices and performance to stakeholders.
- Ensuring staff and contractors are aware of their environmental responsibilities by providing adequate training programs and the tools to enable the intent of this policy to be fulfilled.

Westland Milk Products is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available to the public through selected media.
