

Genuine New Zealand Dairy

Cream Products

WESTPRO™ and WESTGOLD™ cream products are part of the Westland family of genuine New Zealand dairy products.

Produced in the heart of New Zealand's South Island, our cream products are made using high quality milk from predominantly pasture fed cows that graze outdoors year round.

Our Hokitika manufacturing site operates under strict process control and hygiene conditions and is certified to internationally recognised quality standards. Westland holds FSSC 22000, ISO 14001, ISO 17025, Halal and Kosher certifications.

We offer a wide range of products for a variety of applications.

Recognised and
trusted around
the world.
